

What's on...

Beyond

Following Jesus not only changes our personal lives, but also impacts upon our local and global communities. Throughout September we will look at the vision for our mission here at Wokingham Baptist Church.

A road less travelled

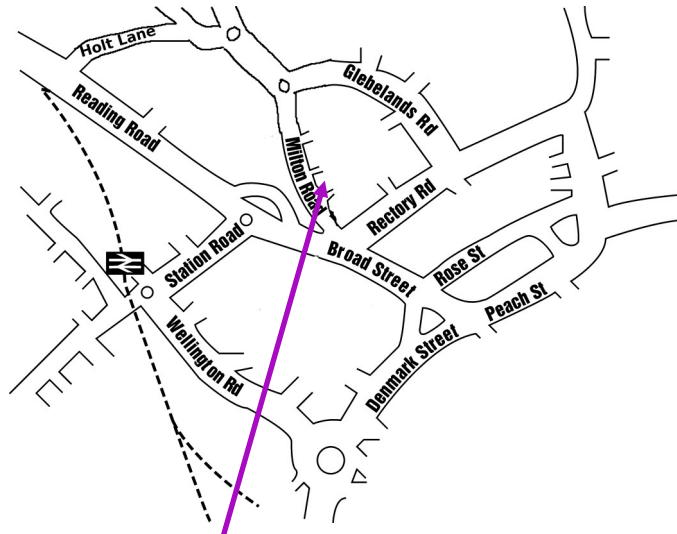

Prayer is a lifelong journey of letting go of one's need to control the world and one's life, in favour of receiving from, and partnering with, God. Eight small words will help us to reflect on why we pray, and how our praying might become more God-centred.

BEGINNINGS

How do we read Genesis after Charles Darwin? What is this curious writing, where did it come from, and why should I bother with it? This short series will challenge us to think again about God and the Universe: what is the purpose of creation, humanity and Genesis 1?

Hearing Voices: **A F R I C A**

Each term we will go to a different continent to hear the voices of some of the movers and shakers of our world, and ask what our Christian faith might say in response. On these inspirational evenings we will be challenged to look again at the Bible and our world.
