Welcome

Right, so let's get going again!!

We hope you all had a good Christmas and New Year, I know seems like a really long time ago!!

So spring is springing up all around us, with the hope of better weather to come, trips to the park and maybe holiday plans. Suddenly it all feels a little more optimistic?!

Once again we have opened 4321 with the hope that it will provide a space that all can feel safe in. We antibac and wash toys and equipment. We know the regulations are all finished, but many still feel anxious and possibly vulnerable. Please can we be mindful of this as we get together once more.

If anyone has any concerns or ideas to improve the group, please do tell us. Remember this is your group! Our prayer is for you all to feel welcome and to meet new friends who are travelling on the same roads.

God bless with love

CARS, PRAMS & BUGGIES

We would ask that you do not park on the drive & please be respectful of the local resident parking rules.

To the right of the building is the Buggy room.

If you have a double buggy that doesn't fit through the doors you may park in the reception, but space is very limited and

we MUST keep the fire doors clear.

*** 4321 staffing ***

We are, from time to time, short staffed at 4321. As a group we don't formally ask, or expect you to help in clearing away at the end of the morning...However, if you feel able to put a few toys into the boxes it would be greatly appreciated.

We do of course realise that many of you will not be able to help, and we do not wish anyone to feel guilty, or to leave early to avoid this. The team thanks you in advance for your support.

Prayer

Each week the 4321 team pray for you all before you arrive. If you would like prayer or have something you would like the team to pray for, please ask anyone with a lanyard.

Alternatively, you can leave a message with the office on 0118 978 7174, or email: office@wokinghambaptist.org.uk

May we politely remind you that **your children are your responsibility** at 4321 ... Thank you
