Happy New Year to you all!

We hope that you have had a good Christmas and new year break. Hopefully you met up with friends and family and everyone was healthy.

I'm sure you will have noticed by now the addition of lovely Lois to our team! Lois has been part of our church family for many years, with her Husband and 3 young children. Last year she took up the post of Children and Families worker and immediately threw herself into the team here. Do have a chat with her if there is anything she may be able to help you with.

So come along and enjoy yourselves. This is a space where you will not be judged. You will be alongside like-minded people on a similar journey, who understand the highs and lows of parenting!

You are welcome

God bless with love

4321

4321 is YOUR toddler group. If you have any concerns or ideas please do come and speak to any of the team.

We work hard to make this a welcoming and safe space.

Whilst there is no pressure on anyone to help tidy at the end, if you are able, we would be VERY grateful! But this is very much voluntary, so do not feel bad or leave early!

Please book your place at 4321 on a Friday evening at 8pm.

If having booked you are unable to attend please e mail the office so that the ticket can be reissued.

CARS, PRAMS & BUGGIES

We would ask that you do not park on the drive & please be respectful of the local resident parking rules.

To the right of the building is the Buggy room.

If you have a double buggy that doesn't fit through the doors you may park in the reception, but space is very limited and

we MUST keep the fire doors clear.

Prayer

Each week the 4321 team pray for you all before you arrive.

If you would like prayer or have something you would like the team to pray for, please drop a request into the prayer box or ask anyone with a lanyard.

Alternatively, you can leave a message with the office on 0118 978 7174, or email: office@wokinghambaptist.org.uk

May we politely remind you that **your children are your responsibility** at 4321 ... Thank you
