Ways to Help and Serve
in and beyond our church
and the local community

Have a read, fill in and return to the Church Office

c/o Wokingham Baptist Church, Milton Road
Wokingham RG40 1DE 0118 978 7174

As a church we seek to be an Active Community of disciples of Jesus.

Helping out and serving is a great way to get active, growing your sense of belonging as you get to know people you're serving alongside.

As you serve God through serving others, you are exercising the responsibility we all have to use our God-given gifts in helping build up the church and playing our part in God's mission.

This leaflet sets out many of the opportunities for you to get involved in helping and serving, whether it's something that happens in the church building, or out in the community.

The way it works is very simple:

- Fill in your name and contact details
- Read through the leaflet
- Tick any that you would like to explore further
- Return the form to the Church Office

The office will then put you in touch with someone from the team or ministry area(s) you have identified so they can tell you more.

We look forward to hearing from you!
