

Our Vision is to see children, youth and their families experiencing God, living positive, purposeful and fruitful lives as followers of Jesus, and helping others to do the same.

So with the help of God, we will:

- 1. Connect with children, youth and their families (CYF) proactively – they won't just come to us**
- 2. Welcome CYF inclusively**
- 3. Model a vibrant, dynamic discipleship to CYF – faith is caught as much as taught**
- 4. Communicate God's story accessibly and imaginatively, and equip CYF to do so too**
- 5. Allow CYF to explore faith questions openly, learning from them as well as teaching them**
- 6. Facilitate ways for CYF to experience God for themselves and grow in their relationship with Him**
- 7. Help CYF to understand and explore their true identity and calling in Christ as followers of Jesus**
- 8. Equip CYF for active, missional discipleship and enable them to use their gifts for serving**
- 9. Walk with children, youth and their families pastorally**
- 10. Use our resources creatively and work with others strategically**
