4321 is led by Sue Chapman.

Welcome to 4321 at Wokingham Baptist church

4321: Play, craft, drinks and biscuits and singing, each Tuesday from 10am until 11:30.

4321 will be closed for half term on 26th October.

Then the **last 4321 before Christmas** will be on **November 30th.**

We **return** after Christmas on **January 11th.**

Wokingham Baptist church holds a service every Sunday at 10.30am to which you are very warmly welcome. The service is also online so you can watch at home!

If you would like a thanksgiving Dedication for your baby or child just ask one of the team or call the office.

Welcome

As a team we can't tell you how good it feels to be opening our doors once more. The last 18 months have been hard, more so to some than to others. I'm not sure anyone has come through completely unscathed. Many have been ill; some have lost those they love. There have been many lockdown babies, some of which are firstborn. I remember how hard those days were, how lonely it could feel, with not very much sleep and all the worries that come with these small people. So, we feel greatly for all those who have had to go it alone. We have opened 4321 with the hope that it will provide a space that all can feel safe in. We antibac and wash toys and equipment.

If anyone has any concerns or ideas to improve the group, please do tell us. This is your group! So come along and enjoy your group, make new friends and let's find the new normal together!

God bless with love

*** 4321 staffing ***

We are, from time to time, short staffed at 4321. As a group we don't formally ask or expect you to help in clearing away at the end of the morning...However, if you feel able to put a few toys into the boxes it would be greatly appreciated.

We do of course realise that many of you will not be able to help, and we do not wish anyone to feel guilty, or to leave early to avoid this. The team thanks you in advance for your support.

CARS, PRAMS & BUGGIES

We would ask that you do not park on the drive & please be respectful of the local resident parking rules.

To the right of the building is the Buggy room.

If you have a double buggy that doesn't fit through the doors you may park in the reception, but space is very limited and

we MUST keep the fire doors clear.

Thank you

Prayer

Each week the 4321 team pray for you all before you arrive. If you would like prayer or have something you would like the team to pray for, please ask anyone with a lanyard.

Alternatively, you can leave a message with the office on 0118 978 7174, or email: office@wokinghambaptist.org.uk

May we politely remind you that **your children are your responsibility** at 4321 ... Thank you
