

*Prayer is not asking.
Prayer is putting oneself
in the hands of God, at
His disposition, and
listening to His voice in
the depth of our hearts.*

**PRAYING
IS BASICALLY
CHATting
WITH GOD**

Mother Teresa

**What is

prayer is no more possible
than to be alive without
breathing.

Martin Luther

For me, prayer is a surge of the heart;
it is a simple look turned toward
heaven, it is a cry of recognition and
of love, embracing both trial and joy.
