Questions for Individuals and Groups:

- **Does the idea of being in a Palm Sunday crowd appeal to you right now?**

How are you coping with isolation, and how can we support one another?

- **The crowds shouted Hosanna: ‘Praise God!’**

What can you praise & thank God for today?

- **How can we pray for those in charge of our nation – and other nations – at this time?**

Questions for Individuals and Groups:

- **Do you agree that the ways of God and His Kingdom are sometimes more complicated than a quick fix?**
Why is that?
- **If we have to go through our own ‘Good Friday’...**
does that mean God has forsaken us, or is judging us? (see Mark 15:34)
- **Trusting Jesus means getting caught up in the work of His Kingdom.**
What might that look like for you this week?

"What's the best thing you've learned about storms?"

"That they end," said the horse.
