Questions for Individuals and Groups:

- What are you praying the Lord might 'take from you/us' at the moment?
- Self-blame, bargaining, giving up on God: do you ever head down an unhelpful blind alley when you feel your prayer hasn't been answered?
- What prayer have you have been praying for a while that you still long to see answered?
- Jesus, in anguish, sought support from his friends. Who are you getting support from at the moment? Who could you reach out to? Who might need your support?

The church building may be empty,
but the church hasn't gone,
we've been deployed!
