

Questions to consider – Mark 1.1-8

- In this period of lockdown have your actions and words pointed people to Jesus?
- What is the good news according to you?
- What difference does having God in your life make to you?
- If a friend or neighbour asks you to explain why you bother with ‘all that God stuff’ what would you say to them?
- How might you be the good news of Jesus’ love to those that you have contact with this week?
- How might you help support a Christian friend be a signpost to Jesus?
