

Questions for reflection:

- Reflect on your own relationship with Jesus and your experience of the Holy Spirit. Do you need to spend time reading, praying, talking with others, to go 'deeper'?
- The believers were waiting with hope and embraced the anointing of the Holy Spirit with joy – are we as ready and willing to be filled afresh?
- Our relationship with God is not simply to secure our own place in heaven! God has a plan for his world and equips us by his Spirit to work with him. Where/what, in our broken world, is the Spirit guiding you to?
